Dear Hiring Manager,

I am writing to express my interest in the position at TCS. I am currently a third-year undergraduate student at KDK College of Engineering, majoring in Computer Science. I am excited about the opportunity to work with a company like TCS, and I believe my skills in Python, Django, and full-stack web development make me a strong candidate for the role.

I have experience in developing web applications using Python and Django. I have also worked on several full-stack projects that have helped me gain a solid understanding of the end-to-end development process. I am confident that my technical skills, coupled with my passion for technology and problem-solving, would enable me to make a valuable contribution to your team.

What truly excites me about TCS is the company's commitment to innovation and technology leadership. I am impressed by the company's focus on developing cutting-edge solutions and its strong team of experts. I am eager to learn from and work alongside such a talented group of individuals, and I am confident that I can make a meaningful contribution to the company's continued success.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,
Piyush B Thaware
